Subject: Extension of OPRA Trading Hours - Effective Monday September 21, 2026

What you need to know:

We have an update to our [previous announcement](#): Beginning Monday, September 21, 2026, OPRA will support trading hours from 7:30 a.m. to 5:00 p.m.

OPRA data subscribers are encouraged to review participant-issued notices to confirm each participant's plans for Extended Trading Hours participation.

Who is impacted?

All OPRA data subscribers that receive OPRA feeds are impacted by this change. Data recipients should disregard regular session quote data from exchanges that will not operate an extended-hours session between 4:00 p.m. and 4:15 p.m., as their quotes may not be zeroed out.
